11 February 1964

MEMORANDUM FOR : Deputy for Technology, Special Activities  
SUBJECT : Parachute System, OXCART.

In the continuing effort to improve parachute-seat kit comfort, I am having Firewal send an engineer who worked with me on the parachute test program [ ] during the week of 16 February. Purpose of this is to optimize the chute support block for each pilot and take measurements that will allow customizing the survival kit cushion to individual pilots.
